- forest planning (including landscape analysis), project management, technology, inventory, and innovation

International MSc-program EnCHiL = Environmental Changes at Higher Latitudes

A scenic landscape photograph showing a large, snow-capped mountain peak in the background under a blue sky with light clouds. The foreground is filled with dense, colorful autumn foliage in shades of green, yellow, and orange. A bright light flare is visible in the lower right quadrant of the image.

Autumn 2023

New international MSc program: Restoration Ecology

Vocational Training Programs & Lifelong Learning

- Agriculture
- Floristry
- Plant Production
- Protected crops and Vegetable production
- Forestry technician
- Landscaping

Hvanneyri Agronomy Research Center

- Food security
- Increasing crop cultivation
- Fertilizer projects
- Cooperation with farmers
- International cooperation
- Engaging students
- Innovative projects

Sheep farm Hestur

700 sheep

Dairy farm

Hvanneyrarbúid

75 cows
